Mining Türkiye Fair Continues to Expand!

The most comprehensive fair of the industry will bring together exhibitors and visitors for the 10th time in Tuyap Istanbul on December 15-18, 2022. The fair will simultaneously host the 17th International Mineral Processing Symposium.

Mining Türkiye Fair Continues to Grow Larger with the Strength It Gets from its Exhibitors!

Maintaining its steady growth, the fair that took place on an area of 25,000 m² in 2021 added a new hall to the existing ones in 2022 and will bring together exhibitors and visitors in 6 halls on an area of 30,000 m². Having completed 96% of the sales as of June, the fair continues to grow larger with the strength it gets from its exhibitors.

17th International Mineral Processing Symposium is Being Held Simultaneously with Mining Türkiye Fair

The Symposium will be held under the auspices of the Republic of Türkiye Ministry of Energy and Natural Resources in collaboration of the Mineral Processing Department at Istanbul Technical University, the Turkish Mining Development Foundation and Tuyap in Tuyap Palas. Mining Türkiye 2022 Fair will be held at the same venue simultaneously on 15-18 December 2022.

The Success in 2021 Will Continue Increasingly in 2022

The 2021 Fair, where the Deputy Minister of Energy and Natural Resources the of Republic of Türkiye Prof. Dr. Şeref Kalaycı held the opening speech, hosted 409 exhibitors from 28 countries and 11,488 visitors from 57 countries. Maintaining its steady growth, the fair gave local and foreign companies and visitors the opportunity to establish new collaborations, and strengthen and improve those existing.

Supported by the Ministry of Trade and KOSGEB in 2021, Mining Türkiye Fair proved once again that it is one of the most important trade platforms in the mining industry.

The Ministry of Trade and KOSGEB will continue to support our exhibitors in 2022

Exhibitors of the fair found eligible for support by the Ministry of Trade and KOSGEB are reimbursed a certain part of their fair expenditures by applying to the support that serves them best after the fair.

Mining Türkiye Fair is among the fairs granted exhibitor support in 2022 within the scope of the Ministry of Trade's Decision No. 2014/4 on Supporting International Domestic Fairs with Sectoral

Qualification. The incentive is directly coordinated by the General Secretariat of the Istanbul Minerals and Metals Exporters' Associations (IMMIB). Exhibitors submit their applications directly to IMMIB.

KOSGEB supports Mining Türkiye Fair exhibitors in 2022 as it did in 2021. KOSGEB announced the maximum support area to be provided within the scope of the support in the fair to be 50m² per exhibitor. Exhibitors submit their applications directly to KOSGEB.

The All-Inclusive Fair will be the Platform Offering Everybody What They are Looking for

The fair will provide an exhibition of products and services under the main topics of selection, definition and determining boundaries of the mine site, ore extraction, ore preparation and enrichment

The Fair offers its visitors the opportunity to examine all kinds of products and equipment under one roof from drilling machinery and equipment to cutting-loading-transporting machinery and equipment, from geologic survey equipment to drilling machinery and equipment, from grinding-crushing-screening-sorting machinery and equipment to chemical enrichment materials and equipment as well as from occupational health equipment to generators, electric motors and transformers.
